Amazing wildlife

Visit one of the largest populations of great apes in the U.S., including gorillas and orangutans, and the African Savanna, home to African elephants, giraffes, zebras, warthogs, ostriches, meerkats, and southern white rhinos. Don't miss Scaly Slimy Spectacular: The Amphibian and Reptile Experience, featuring habitats for over 50 species.

Unforgettable connections

Go behind-the-scenes with **Wild Encounters**. Meet animal ambassadors in the petting zoo. Take a deeper dive into animal care with **Keeper Talks** and animal training demonstrations.

Rides and attractions

Enjoy rides on the **Endangered Species Carousel** and **Norfolk Southern Zoo Train** and adventures on the **Treetop Trail** and **Treetop Tykes Trail** aerial playgrounds presented by Kaiser Permanente. Travel to some of the planet's wildest landscapes – without ever leaving the Zoo – at the **Wild Explorer VR Theater**.
